

# GORILLA SAFETY INTEGRATION

Updated April 2, 2019 | [www.Carrier.MacroPointConnect.com/Technical-Documentation](http://www.Carrier.MacroPointConnect.com/Technical-Documentation)

---

## HOW TO CONNECT

---

1. To move forward with a Gorilla Safety integration, we will need your USDOT. You will receive an email and a notification in your Gorilla portal that MacroPoint is requesting access. Please authorize the access and let us know that you've done so.
2. If you have not yet been assigned a Descartes MacroPoint Carrier Activation Consultant, please email [MPActivations@descartes.com](mailto:MPActivations@descartes.com) to let us know when you have authorized the access for MacroPoint in your portal. Include your USDOT in the email.

---

## NOTES

---

When requesting an API Key or user credentials to be provided for use with Descartes MacroPoint, please ensure that the credentials have administrative permissions/API access.
