

XRS INTEGRATION

Updated April 26, 2019 | www.Carrier.MacroPointConnect.com/Technical-Documentation

HOW TO CONNECT

1. To move forward with an XRS integration, the carrier must request a **username, password and company ID** with **API and fleet view access**.
2. Please send the username, password and company ID to your dedicated Descartes MacroPoint Carrier Activation Consultant once that information has been obtained or created. If you have not been assigned a dedicated MacroPoint rep yet, please send this information to MPActivations@descartes.com.

NOTES

When requesting an API Key or user credentials to be provided for use with Descartes MacroPoint, please ensure that the credentials have administrative permissions/API access.
